WELCOME FROM THE PRINCIPAL

KIA ORA,

Thank you for expressing an interest in joining our extraordinary school and learning community.

Wakatipu High School's vision is to 'deliver Aotearoa New Zealand's best all-round education'. This aspirational vision challenges us to strive to deliver the very best possible opportunities and outcomes for all of our students each and every day.

Our Ākonga Profile outlines what we want for our students in their time at WHS, and encapsulates the all-round nature of our vision. The Ākonga Profile includes not only every student gaining their best possible qualification, but essential competencies and knowledge, and holistic development as a young person - underpinned by our school values of excellence, responsibility, resilience, inclusion and respect.

Integral to the Ākonga Profile and our vision is student engagement, learning, progress and achievement, and our strong academic results are testament to our success in this area. Students are also supported to achieve in vocational pathways, which include our Trades Academy, Gateway and Central Otago Youth Employment programmes. In addition, we provide learning support in literacy and numeracy, and have a Gifted Education programme.

A key part of our all-round education is the wide range of extra and co-curricular opportunities that we offer, including sport, arts, music, culture, outdoors, community and leadership. From our Winter Sports Academy and rowing, to our jazz band, school musical, Kapa Haka group and Duke of Edinburgh programme, our students have an incredible range of opportunities in which to participate and excel, as well as to grow

and develop as young people. Furthermore, the Wakatipu Basin and its unique environment enables us to offer our great outdoor education programmes.

Student engagement, wellbeing and resilience are very important at WHS, and we work hard to support our students to 'feel good and function well', to enjoy coming to school, but also to understand that sometimes things are hard and that we need to build strategies for working through times of challenge. We have a comprehensive pastoral system, central to which are our five Houses.

Well-governed and very generously supported by the WHS Foundation and Branches Trust, Wakatipu High School is delivering on its vision to provide Aotearoa New Zealand's best all-round education for our students. We welcome you to join us at our remarkable campus and to 'reach for your heights' at this high performing school.

ĀKONGA PROFILE

Central to our vision of delivering Aotearoa New Zealand’s best all-round education is our Ākonga Profile. The Ākonga (Learner) Profile outlines the areas in which we want our students to learn, develop and grow during their time at WHS. The profile is very holistic and has four key areas:

- > WHS’s values - excellence, respect, responsibility, resilience and inclusion are at the centre of the profile.
- > Future-focused qualifications, transitions and pathway - including the best qualification possible for each student.
- > Capabilities for lifelong learning - including competency development and key knowledge, skills and processes.
- > Holistic development - including self, social and active citizenship.

Students in Year 9 experience the eight learning areas of the New Zealand curriculum and choose subjects which allow them to explore their interests while building the foundation

for success in the senior school. As students move through the school they become more specialised in their chosen subjects and pathway; with our broad range of subject choice for both seniors and juniors designed to meet students’ various interests and needs.

We also provide literacy and numeracy support, ESOL classes for second language learners, talent development programmes, separate scholarship support, extension and accelerated learning opportunities across the learning areas.

As per the Ākonga Profile, our students also learn and develop through our broader school-wide curriculum. An extensive extra and co-curricular programme, including sports, arts, cultural, outdoor education, community and leadership, as well as our vibrant House competition all provide important opportunities for our students to learn, grow and develop holistically.

TEACHING AND LEARNING

Our team of talented, passionate and dedicated staff members are committed to ensuring there is high quality teaching and learning at WHS, including making the most of our school's Flexible Learning Environment.

Our teaching and learning framework outlines the guiding principles for high quality teaching and learning which are underpinned by research on what matters most for learners and their learning. These include:

- > **Whakawhanaungatanga** - creating a class climate and culture conducive to learning;
- > **Wānanga** - growing great learners who love to learn and learn to learn;
- > **Kaitiakitanga** - high quality teaching for equity and excellence.

The school supports staff to engage in ongoing and up-to-date professional learning to ensure students receive world-class learning experiences.

OUR MODERN CAMPUS

OUR CAMPUS

Wakatipu High School moved into a new school campus at Remarkables Park in early 2018. The new campus was designed and built in accordance with the principles of an Innovative Learning Environment (ILE), encompassing Flexible Learning Spaces as an integral part of learning.

Our modern facilities include two multi-purpose theatre spaces, 2 gyms, outdoor gym circuit, specialist learning spaces, purpose built science laboratories, a musical rehearsal and a recording studio.

The school is designed and built to accommodate 1625 students and is the only High School in the Wakatipu Basin.

INNOVATIVE LEARNING ENVIRONMENT

WHS's Innovative Learning Environment (ILE) provides open, flexible learning spaces, which paired with technology, enable teachers to choose from a variety of pedagogical approaches to enhance teaching and learning. They support students to develop future-focused skills and competencies for lifelong learning, while engaging in a knowledge-rich curriculum.

The flexibility of our ILE enables teachers to deliver personalised learning, better meeting the needs of individual students. Personalised learning is supported through leveraging digital technology, with students bringing their own devices to school (BYOD) and using them as tools for learning.

“

WAKATIPU HIGH SCHOOL EMPOWERS EACH STUDENT WITH THE OPPORTUNITY TO FIND THEIR PASSIONS AND INTERESTS ULTIMATELY PROVIDING EVERY STUDENT WITH THE ABILITY TO CREATE THEIR OWN PATHWAY IN OUR FUTURE WORLD.

SECONDARY EDUCATION IN QUEENSTOWN

Year 9 students on their Greenstone Camp

OUR GOAL IS TO DEVELOP STUDENTS HOLISTICALLY. THIS INVOLVES PARTICIPATING IN OUR VIBRANT COMMUNITY AND LEARNING TO BE KAITIAKI OF OUR SPECTACULAR NATURAL ENVIRONMENT.

With a growing roll of 1400 students Wakatipu High School is the region's only secondary school. There are eight primary schools in the Wakatipu basin that cater for children in years 1-8. Our community and students are ethnically diverse and come from a broad socio-economic background.

The Queenstown community has expanded in recent years attracting residents from all over the world wanting to make it their home. With a culturally rich population, we pride ourselves in having teachers and support staff who offer a diverse set of capabilities and experiences for students to learn from.

Whilst academic achievement is the priority, the ability to turn the environment into learning opportunities is a unique and valuable asset for the school. We offer a fantastic Outdoor Education programme which makes the most of our lakes, mountains and pristine landscapes.

The natural and cultural environment that we live in is truly unique and the teaching and learning at Wakatipu High School reflects and embraces the special character of our slice of New Zealand.

The Foundation's support has provided funding for a range of initiatives including our Āwhina Support Fund, academic achievement, as well as leadership development and strategic
